### FOR

## **DIPLOMA IN TEACHING AND LEARNING**

# BHARATHIAR UNIVERSITY COIMBATORE-641046

Diploma in Teaching and Learning (Community College)-2021-2022 onwards Page 1 of 8

## BHARATHIAR UNIVERSITY: COIMBATORE DIPLOMA IN TEACHING AND LEARNING (Community College)

#### (for the candidates admitted from the academic year 2021-2022 onwards)

**Minimum qualification for admission** to Diploma Course in Teaching and Learning is a pass in Standard X.

S.No	Title of the Course	Credits	Maximum Marks
1	Principles of Teaching	4	100
2	Understanding Children	4	100
3	Learning Theories	4	100
4	Teaching, Learning and Assessment	4	100
5	Managing Learning	4	100
6	Classroom Management	4	100
7	Understanding the Individual	4	100
8	Internship	4	100
	Total	32	800

#### SCHEME OF EXAMINATIONS

Diploma in Teaching and Learning -2021-2022 onwards Page 2 of 8

### **Question Paper Pattern**

Section A:  $(10 \times 2=20 \text{ Marks})$ Answer ALL the questions Section B:  $(5 \times 6 = 30 \text{ Marks})$ Answer ALL the questions either (a) or (b) Section C:  $(5 \times 10 = 50)$ Answer ALL the questions either (a) or (b)

Duration of examinations for all papers is three hours. \*Minimum Pass Mark: 40 Marks

## PAPER I

## PRINCIPLES OF TEACHING

Introduction to education- definitions of education-purpose of education- impact or definition on role of the teacher - Definitions of teaching – role of a teacher- classroom teaching impact         Unit:2       Teaching Methods         Categorize the teaching methods- Lecturer/ Instructor-Demonstrator-Listener         Empowerer/ Delegator -application of the methods – developing knowledge transfe through the teaching methods – Recent Trends in Teaching Methods – online learning – e learning         Unit:3       Building Positive Attitudes         Developing trusting relationships- creating a supportive environment for children learn- developing positive student attitude- school values- obstacles to developing values- envoi mental influences- self-confidence – self-esteem – self attitude

## PAPER II

## UNDERSTANDING CHILDREN

Unit:1	Child Development		
of sta Locke	Development of the children – Stages of development- Comparison of the theories of stages of development-Historical Theories of Development- Cyril Burt- John Locke- Jean Jacques Rousseau- Stage Theories- Sigmund Freud- Jean Piaget- Flavell-Comparison of stages of development tchart – Any two learning theories		
Unit:2	Individuality	1	
Obser Under	vation of the child in the classroom- Identifying the difference standing a child's background and recognizing a child's h their background – Family situation – single parent – no pa	individual needs	
I Inite 2	Sumporting Environments		
Unit:3		nment_rules and	
Cultivating a supportive – physical- emotional and social environment-rules and routines for emotional environment – furniture and features and facilities for physical and social environment- Applying in the classroom – case study for analyzing student environment			
Unit:4	Experiences		
of ex change	for positive experiences to develop language skills- balanced ternal influences family – nuclear family- examination of es in a student following impact of media- Maslow's hier op positive attitudes- Dale's Cone of Learning Experience	the effects and	
Unit:5	Lifeskills		
Introd equipp	uction to life skills – importance of life skills- life skills for bing life skill as a tool- developing positive life skills- teach at with individuals and groups– application of life skills - Un	hing children to

## PAPER III

## METHODS OF LEARNING

Unit:1 Learning Theories		
Introduction to learning theories- Definition of the learning theories-		
Understanding Constructivist, Behaviourist and Cognitivist philosophies-		
Characteristics of the learning theories- Range of learning theories.		
Unit:2 Learning Styles		
Identifying learning styles- impact of teacher's personal learning style on their		
teaching- application of the learning style.		
Unit:3 Multiple Intelligence		
Unit:3Multiple IntelligenceIntroduction to theory of Multiple Intelligence- understanding of importance of Gardner's MI theory application of Gardner's MI theory.		
Unit:4 Lesson Planning		
Introduction to lesson planning – purpose – objectives of the lesson – presentation -types of presentation – lecturer-listener- demonstrator-empowerer – introduction to process- learning practice- individual-group- whole class-Introduction to Product- methods of assessments.		
Unit:5 Learning In and Out of School		
Purpose of learning in and out of school- Importance of observation learning out of school- Out of school learning: extending curriculum learning to the local area - approaches to learning outside the class room- advantages of learning outside the classroom.

### PAPER V

#### PRACTICAL I

### MANAGING THE LEARNING

1	Lesson plan preparation using PPPP (Purpose Presentation Process Product)	
	format	
2	Demonstrating how the lesson plan helps a teacher manage the class	
3	Application of PPPP format	
4	Cooperative learning activities	
5	Importance of a stimulating physical environment	

### PAPER VI

### PRACTICAL II

### CLASSROOM MANAGEMENT

1	Classroom display
2	Bulletin boards
3	Creating strategies for managing behaviour
4	Discipline without Punishment
5	Demonstration of WRAP strategy

### PAPER VII

### PRACTICAL III

### UNDERSTANDING THE INDIVIDUAL

pra	etical.		
	II & III and submit report in the form of record on the completion of the		
Note: Each student undergo practical in the given practical components of Paper			
3	Preparation of a SWOC analysis of the Supportive Environments		
	Jean Piaget		
2	Developmental Chart for the Children and Give the report with the comparison of		
1	Case Study on the basis of maladjusted behavior		

## PAPER VIII PRACTICAL IV INTERNSHIP

#### Visit to School

Each student has to undergo internship in selected educational institution for a period of 6 working days. He/ She have to observe the overall activities i.e., administration, curricular and co-curricular activities, teaching – learning method, structure of the classroom, available resources etc., of the educational institution and submit it in the form of report on the completion of internship training. Hundred marks will be awarded for both record submission (40 marks) and evaluation (60 marks.

#### Evaluation procedure for Practical and Internship

The following break up of marks will be followed for assessment of practical papers and Internship.

1.	Submission of Report	40 Mark
2	Valuation by Internal Examiner	60 Mark
Total		100
