CONCEPT

Man's capability to transform his environment can bring the benefits of economic development and an opportunity to enhance the quality of life. But this same power incorrectly applied for a long span of time has led to depletion of resources and at the same time caused immense harm to the natural environment and consequently to human life. Delayed remedial action will cost considerably more and the damage will become irreversible. The need of the hour is to plan a balanced system giving due importance to socio-economic, technological and ecological factors for the proper allocation of resources in order to fulfill the needs and aspirations of present and future generations without degrading the environment.

The 8th International Conference on Environment and Ecology (ICEE 2022) will provide an opportunity to discuss current environmental issues, promote greater collaboration and strengthen the connection among scientists, policymakers and activists. The conference will further help in developing a strong network among scientists, academicians, voluntary organizations, youths including students and teachers along with community people to share their expertise in order to find integrated and comprehensive solutions for different environmental issues affecting the planet earth.

THEMES & SUB THEMES

The goals of the 8th International Conference on Environment and Ecology (8th ICEE 2022) are:

1. To generate new knowledge related to understanding the background and causes of different ecological and environmental events at the local and global levels
2. To bring together the world's leading scientists, economists, and policy experts to explain the often-neglected debate on environmental and ecological issues
3. To share the results of the conference with policymakers, civic and business leaders, and the interested public in order to arrive at constructive and progressive approaches to abate environmental problems and ensure sustainability
4. To set the groundwork for future conferences and publications on environmental and ecological issues

VENUE: BHARATHIAR UNIVERSITY

The Bharathiar University was established at Coimbatore by the Government of Tamilnadu in February 1982 under the Bharathiar University Act, 1981 (Act 1 of 1982). The erstwhile Postgraduate Centre of the University of Madras formed the core of the Bharathiar University, which was functioning at Coimbatore before 1982. University Grants Commission (UGC) recognized Bharathiar University in 1985 for grants.

The University has 39 Departments, offering 54 post-graduate programs besides offering M.Phil. and Ph.D. programs. The University is an affiliating University. The jurisdiction of the University covers the districts of Coimbatore, Erode, Tirupur, and The Nilgiris with 133 affiliated colleges.

The National Assessment and Accreditation Council have accredited the University with an 'A' Grade in the third cycle assessment. Bharathiar University is marching towards becoming a World Class University by garnering ranking in the International arena. Times Higher Education Young Universities World Ranking ranked our University in the range of 201 to 250. We stand at 13th rank under the category of University and 21st among the top 100 institutions in the MoE's National Institute Ranking Framework's (NIRF) ranking. In 2021, Bharathiar University secured a ranking in the range of 801-1000 in the Times Higher Education World University Rankings.

The state-of-the-art facilities available for faculty members and scholars nurture a culture of research in cutting-edge areas. Industry infusion into the curriculum is given prominence by involving industry experts - R&D managers, product development managers, technical managers in the curriculum development as special invitees in the Board of Studies.

Our University is a partner in the MHRD National Knowledge Network. Through UGC - Infonet, and Inflibnet a collection of physical and electronic resources is available. The Intellectual Property Rights Cell of Bharathiar University protects the rights of inventions of faculty and young researchers in the University. The DRDO-BU-Center for Life Sciences was established in Bharathiar University as a joint venture by DRDO, Ministry of Defence, Government of India, as an autonomous research institute to pursue basic and applied research.

Bharathiar University Centre for International Affairs (BU-CIA) facilitates admission of international students through study in India (MoU) and Indian Council for Cultural Relations (MEA). BU-CIA operates in liaison with the Association of Indian Universities, the Association of Commonwealth Universities, and Shastri Indo Canadian Institute.

With a dedicated team of faculty with vast experience in teaching and research and dedicated and experienced administrative members, the University has emerged as one of the strong pillars of higher education in this region.
