About Bharathiar University, Coimbatore

Bharathiar University is a State University established in February, 1982 at Coimbatore, Tamil Nadu. The University is named after the great revolutionary and patriotic poet Mahakavi Subramania Bharathi, with the motto “Educate to Elevate”. The aim of the University is to participate in the task of inculcating necessary knowledge, skills and creative attitudes and values among the youth of the country to contribute more effectively towards establishing an equitable, social, economic and secular ideal of our nation. The University has 131 Affiliated Colleges, 39 University Departments including B Schools and a School of Distance Education, DRDO – BU Centre for Life Sciences, Central Library, Overseas Student Support Service (OSSS) and UGC- HRD Centre. It is Accredited with “A” grade by NAAC and ranked 14th among Universities by MoE-NIRF. The DST, New Delhi has sanctioned over 80 crore under DST-FIST, UGC-SAP and RUSA grants to University Departments to augment research facilities.

About the Department

To meet the challenges of emerging scenario in the twenty first century and to optimally exploit the new opportunities in the field of Commerce, the School of Commerce was started in September, 1990. The Department offers Ph.D., M.Phil., M.Com Finance & Computer Applications, M.Com Finance & Accounting and M. Com Financial Technology Degree Courses. So far, this school has produced 106 Ph.D's and 189 M.Phil. Graduates and has conducted 40 Refresher Courses in Commerce benefitting more than 900 College and University teachers. It has organized number of Workshops to revamp the syllabi for Commerce courses and has also conducted several Seminars and Conferences. This School has a well-equipped fully air - conditioned computer laboratory with 68 Computers along with internet facility and a smart class room. This school is also instrumental in introducing job oriented and innovative courses. With above prudentials, our department has got UGC SAP DRS-I grant in 2016.

About Capacity Building Programme

Research today has been one of the important aspects in the academic pursuit of higher learning over the world, and it provides solutions to ever changing human problems. Teaching and research go hand in hand and continuous updation of knowledge in the field of research and publication is the need of hour. Capacity building programme involves imparting and unveiling various tools and techniques resulting in substantial and excellent research outputs for the development of mankind. The training programme aims to prepare the researchers capabilities to publishable material in the form of articles in journals and books. It will introduce participants to the essential principles, techniques and processes of qualitative, quantitative and mixed approaches of research. In doing so, it will deal with various theoretical and methodological issues involved in such inquiry as well as the strategies and techniques such as research design, methods of qualitative and quantitative data collection, coding and analysis involved in the empirical field of research.
