

OUR MISSION

Our mission is to provide quality higher education to all people. We aim at developing citizens with knowledge, skill, and character, contributing to societal transformation and national development in consonance with our motto **‘Educate to Elevate’**. We strive to form students to be men and women for others offering their selfless service for the growth of the country and people.

SMART CLASS

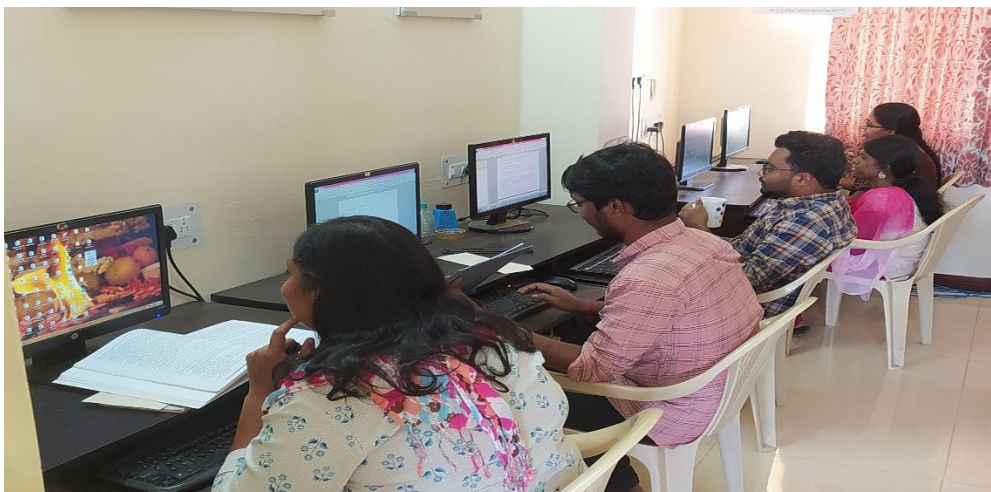

The department is having a smart class equipped with an “interactive panel” connected to the internet and other features bought from the RUSA project. The interactive panel transforms every classroom into a healthy learning space, increases student engagement, and enables impactful lessons. It helps educators create modern data-centric classrooms that enhance active learning.

SEMINAR HALL

There is a well-furnished and air-conditioned seminar hall equipped with a built-in projector along with screen and audio system with access to the internet that can accommodate about 70 to 80 people and facilitates to conduct of important events such as conferences, seminars, meetings, workshops and other department related functions.

COMPUTER LAB

The department is having a computer lab consisting of 12 desktop computers connected to an online networking system. It helps the student and research

scholars to take up all kinds of research. It is having access to INFLIBNET and the Intranet system of Bharathiar University.

DEPARTMENT LIBRARY

There is a serene library that is loaded with books, articles, journals, and thesis (M.Ed., M.Phil., Ph.D.) that showcases the hard work of the faculty members and the students.
