

ADVANCED COMPUTING ICAC – 2023

2 nd & 3 rd March 2023

DEPARTMENT OF COMPUTER SCIENCE BHARATHIAR UNIVERSITY

(Accredited with "A" Grade by NAAC)

ABOUT THE UNIVERSITY

The Government of Tamil Nadu established Bharathiar University at Coimbatore in February 1982 and received recognition from the University Grants Commission (UGC), New Delhi in May 1985. The University named after the 'Great National Poet Subramania Bharathiar' is enshrined with the motto 'Educate to Elevate'. The University aims to provide quality higher education to all people and foster knowledge, skills, innovations in research, and creativeness, internationally and nationally by offering selfless services.

ABOUT THE DEPARTMENT

The Department of Computer Science aims to provide the foundation for a professional career, to acquire concrete knowledge in reasoning methods, design, and implementation techniques. The department endeavors to be a significant regional, national, and international resource center for the development of computing and its applications. The department has a team of highly experienced and motivated faculty members who are in the process of tuning the young minds to make them globally competitive. Innovative methods of teaching and learning processes are adopted to achieve learning abilities through practice, exposure, and motivation. The department offers Computer Science, M.Sc Data Science, M.Phil and Ph.D. The thrust areas of research in the department are to evolve learning consultancy. integrating computer information sciences with natural sciences and engineering concepts to develop products and services for the benefit of the industry and society.

ABOUT THE CONFERENCE

With the increasing pace of advances in computing and related technologies, a new vision and strategy are required to support a comprehensive. advanced computing infrastructure that facilitates transformational ideas using new paradigms and approaches. The ICAC-2023 aims to together leading academicians, scientists, industry professionals, research scholars, and students across the globe to exchange their outcomes and explore new ideas and directions in various domains including Agriculture, Education, Healthcare, Manufacturing, E-Commerce, Logistics, Automobiles, Insurance, Remote sensing and much more. The conference include keynote address, invited lectures by eminent International/National experts and paper presentation sessions.
